In response to the outstanding office action dated January 31, 2002, kindly
amend the above referenced patent as follows:

In the Figures:

Please replace the Figure 1 as filed with substitute Figure 1 attached to
this amendment and response. No new matter has been entered.

In the Abstract:

A mixing device which can simplify the showering process by allocating
soap, moisturizers, fragrances, and other detergent-type fluids through a shower
head using the venturi concept so as to integrate the substance with the regularly
